The United States Domestic Fuel Surcharge will be applicable on all motor, motor/rail, and rail moves routed via Carriers designated United States Port of Loading or Port of Discharge for the inland points defined in a specific general tariff TLI or Service Contract. The retail monthly average price of No. 2 Diesel, as published by the DOE, at the end of each month will be the basis for applicable United States Domestic Fuel Surcharge rate that will be applied on the 1st day of the month following the DOE publication date. Please refer to Carriers' tariff Rule 10 Sub Rule 834.

This quote is provided as a convenience to our customers and represents
nothing more than an approximation of freight charges which is not binding either on the Carrier or the shipper.

Rate quote is valid for 30 days only and is subject to change without notice.

Charge(s) with an asterik have a Future Filed Change. Check with Customer Services.
